

# HOW CAN I HELP?

**VOLUNTEER** - TULSA HUB needs bike mechanics and mechanically inclined individuals to help tune bikes for use in the CCP and Kids Bike Club programs. Don't know a dropout from a downtube? No worries, there's always plenty of things we need help with in the office as well.

**ORGANIZE** - TULSA HUB needs a constant supply of used working bikes in fair condition to keep its programs going. Give the HUB a hand and organize a bike drive today!

**DONATE** - TULSA HUB relies on financial contributions to maintain our shop and offices. Donations can be made through PayPal on our website or mailed directly to the Tulsa Hub Fund at Tulsa Community Foundation. See below for more information. Hub also seeks sponsors for Youth Bike Clubs and Community Cycling Recipients. \$250 creates another happy and informed cyclist!

**SPREAD THE WORD** - TULSA HUB needs your help recruiting volunteer mechanics, fundraisers, and laborers, as well as collecting working bikes, tools, and supplies for the shop and office.

**ADVANCE. EQUIP. CULTIVATE.  
EMPOWER.**
